PROFILE

I've been a Game Designer for half a decade including my years studying game design at the university and about a year as a QA Game Tester. I love seeing players enjoying the fun of the mechanics and the experience I have made for them. My expertise have increase in many side of the design, development, and testing.

WORK EXPERIENCE

Jr. Game Designer/Developer May 2024 - Nov 2024
MQDC, Samut Prakarn, Thailand

- Developed a unique sales gallery experience for adult clients and integrated AI into the project.
- Handled unexpected circumstances with a mature attitude and sought the best solution for the project.
- Communicated clearly and precisely any changes in the project plans.

QA/Technical Artist Jul 2023 - Jan 2024
Chillchat Creative, Bangkok, Thailand

- Planned and organized test cases for the game project.
- Created and ensured a good experience for players ensuring their experience at its peak.
- Helped support other teams throughout the project with the Art and Design team.
